

Blower Service Center

We are your Roots™ Authorized Repair Center for positive displacement blowers. Factory certified technicians can repair all major brands of blowers and in many cases we can offer 24-hour repair service. We stock major parts and repair kits to ensure quick turnaround. Our competitive pricing and full one year warranty ensures that you can count on us for all of your repair needs.

The blower arrives at the shop with product contamination.

After a thorough inspection, the technician will clean, repair, test, and then paint the blower before returning it to the customer with a full one year warranty.
